

Location:

We suggest entering “**6175 Harvard St.**” (Pittsburgh, 15206) into your GPS, then follow these directions for parking and building entry:

- Turn onto **Harvard Street** to access parking areas.
- Enter through **Entry B**, circled in blue above, off of Harvard St.

(Note: Although the official address for East End Cooperative Ministry is 6140 Station Street, entering that into GPS takes you to the front entrance, which is not where one enters to access the Great Room – called “Great Hall” here).

Parking:

- All parking areas are well-lit
- There are several parking areas available (see map):
 - EECM’s small **parking lot** next to the building
 - **Public parking** (across from the church and kitty-corner to EECM)
 - Street parking along Harvard (and other nearby streets)
- Please do not park in the lots marked in **red** on the map
- Some might find the 3-D “street view” images, below, helpful

Lighted parking areas are outlined in **green** (street parking is also available along Harvard St.). Please don't park in the lot marked off in **red**. Thanks!
